

Hello to all my friends and fellow golfers,

The time has come when I ask you to join me in a day of fun and camaraderie. But more importantly, a day of remembrance. It has been a long time, fourteen years. But to me, it seems like yesterday. January 18th, 2006 is a day I will never forget. I ask that you never forget as well.

It is the day we lost the Tug Valour and three of our friends, Chief Mate, Fred Brenner, AB Tankerman, Ron Emory and Chief Engineer, Richard Smoot. We can keep their memories alive by your sponsorship and or participation in the 15th Annual Tug Valour Memorial Golf Tournament on April 24th, 2020 at Lake Jovita Golf Club in Dade City, Florida.

In the past 14 years the proceeds raised have helped countless young men and women attend a Maritime Academy and or attend the SIU School for Seamanship. Once they graduate, they devote their lives to the maritime industry just like Fred, Ron and Richard. The maritime community is a tight knit industry, and once graduates begin their careers on the high seas, you may come across one of these sailors that you have helped achieve their goal of sailing on a ship, tug or barge.

So, please join me and my awesome Valour team on April 24th at Lake Jovita for a great day and an even better event. Help me, help future mariners kick start their careers with your generous support through donations, sponsorships and or participation. I promise you a great day that you won't soon forget.

Hope to see you there.
